Where did the summer go? I hope you all had an amazing time with your friends and family over the summer. I couldn't believe how nice the weather was. I am so excited to be back into the swing of things at Woodville. We had many hires over the summer and I can't express how fortunate I feel to have hired so many amazing new staff members. One of the reasons we are able to attract such high calibre people, is the outstanding reputation our students and community have. Woodville is truly a place where people pull together and embrace others and in my unbiased opinion it is the best school in the board. I look forward to working with all of you over the next ten months as we do everything we can to help our students learn, have fun and be well. Please feel free to call, email or see me in person if you have any questions.

Please visit our website and twitter pages for important dates, events, and information throughout the year.
