Character Trait for October – Compassion

What an amazing September we had. It was so nice to see everyone back and ready to go for another year of learning. Our Character Trait for the month is *Compassion*. It is not hard to find examples of compassion around the school from both staff and students. I love how our older students look out for and play with our younger ones, help as lunch monitors, reading buddies, and bus patrollers.

Woodville was fortunate enough to earn four separate computer grants through teacher applications, our TV in the hall is up and running, the stage is fully resurfaced and the main floor student washroom looks amazing and is ready to go.

As we move into fall I know we are all ready to do our best, work together and strive for excellence.

SUPERVISION REMINDERS

Please remember that staff is not on duty **until 8:50 am for supervision**. Please stay with your children until that time. Children are to stay outside until the first bell rings. Then they can either remain outside or go to the breakfast club until the entrance bell goes.

FUNDRAISING

Back by popular demand is our **Fresh from the Farm** fundraiser. This is a wonderful way to support Ontario/local farmers, to promote healthy eating and to support our school. Each student has received a Fresh from the Farm brochure and order form. Please be sure that all orders and payment are received in the office **NO LATER THAN October 11th**. If you have any questions, please don't hesitate to call.

QSP Magazine Fundraiser. Please continue to sell magazines & water bottles as part of our school fundraiser. Our goal is to get a new projector system for the gym and this fundraiser is a crucial part of this goal.

Drive Away Hunger campaign. Please donate money or non-perishable food items for our Drive Away Hunger Campaign this year. All donations will go to our local Woodville Foodbank. The class with the most donations will also receive an amazing prize. Please bring in donations **before October 13th**.

TERRY FOX RUN Updates

We are so happy to report another successful run for Terry. Our total fundraising efforts are not yet available but we are optimistic some teachers will be paying up on some challenge promises. Thank you to all volunteers who helped keep our kids hydrated at the water stations.
