Character Trait for November – Perseverance

Wow where did October go? As the weather changes and falling leaves make way for falling snow, it is an exciting time of year for schools.

Progress reports, and Parent Teacher interviews are just around the corner and they provide valuable opportunities for families to know the great things happening at Woodville Elementary School. Student work fills the halls and proud sports teams beam with success stories and the joys of practice, hardwork and discipline. Amazing things are happening at Woodville Elementary School and we are so happy with the great progress students are making academically.
